

THE ENERGY GUY IS NOW HIRING

The Energy Guy is a team of Energy Raters that provide independent third party ratings and verification for homeowners and contractors. We have over 100 Energy Raters throughout North America and have completed over 150,000 Energy ratings since 2003.

SUMMARY OF POSITION

Title: Tier I Rater, The Energy Guy

Overview: Certified Home Energy Rating System (HERS) Energy Raters working in specific territories throughout California. Our independent contractors will perform HERS and Title 24 verifications such as duct blasting and refrigerant charge tests and also work as Whole House Energy Raters under HERS II for programs such as Energy Upgrade California.

Time/Hours: Sub Contractor

Compensation: Depending on work load, some of our Energy Raters make 70K+

Application Deadline: Applications will be accepted on an ongoing basis or until all areas are covered. Specific interview dates and times will be set every month in different cities throughout the state.

Locations Needed: LA County, Inland Empire, Palm Springs, San Diego, Sacramento, East Bay Area

CANDIDATE QUALIFICATIONS

- HERS I certification strongly recommended.
- Strong verbal communication skills. The Energy Rater must interact regularly and confidently with homeowners, contractors and other interested parties. College education is desired, but not required.
- Interest/experience in energy efficiency with an aptitude towards diagnostic testing equipment as well as hands-on physical work with the ability to climb ladders and carry weight up to 40lbs. Additional energy auditing certifications a plus.
- Strong attention to detail and ability to work independently with minimal supervision.
- Personal vehicle and valid California driver's license. Local travel required.
- Daily access to a computer and scanner.

PRIMARY RESPONSIBILITIES

- Check work calendar daily to determine locations and the appropriate forms for use at the job site.
- Conduct specific HERS verifications according Title 24 protocols and help from internal Energy Guy trainings.
- Explain the HERS verification process to contractors and complete all testing and forms in a timely manner.
- Continue certification experience in order to become a Whole House Energy Rater.

Interested applicants should forward their resume to info@theenergyguy.com. Please Note: Due to the high number of applicants, only those selected for an interview will be contacted. Please indicate your level of certification on your resume with total numbers of ratings performed, if any. The Energy Guy is An Equal Opportunity Employer.
